DRINKING WATER SUPPLY ANALYSIS UPDATE
OCTOBER 6, 2026 | 6:00PM - 7:30PM

CALIFORNIA VALLEY CSD - DISTRICT OFFICE
13080 SODA LAKE ROAD, SANTA MARGARITA, CA 93453

WHAT THIS MEANS *FOR YOU*

The California Valley Community Services District (CVCSD) invites you to participate in a discussion about the results of the Drinking Water Supply Analysis Engineering Report and the next steps.

CVCSD and its consultants have finalized the Drinking Water Alternatives Analysis. At this meeting, Ardurra, alongside CUWA and the State Water Resources Control Board, will present the results of the Analysis, including information such as the recommended alternatives, capital costs, operations and maintenance costs, scheduling, and next steps for the community. CVCSD, Ardurra, and CUWA encourage all residents of the community to attend as you will have the opportunity to ask questions and share your thoughts!

Snacks will be provided! If needed, bring your children and there will be activities for them!

HAVE QUESTIONS?

Please contact Ardurra Group, Inc. (Ardurra) via phone at **1.559.500.4750** or via email at **mmadrid@ardurra.com**.

Virtual attendance options will be provided. Please contact Ardurra to register for virtual attendance by October 2, 2026.

Spanish language interpretation services will be provided. If you would like to request interpretation services in another language or sign language, please contact Ardurra by **September 29, 2026** and we will do our best to accommodate the request.
